### After hours

Business hours of both the Stellaria and Mahonia building are from 7:30 am to 6:30 pm, Monday through Saturday. The community rooms and kitchen are available for rent between the hours of 7:30 am and 11 pm every day. For Sunday rentals and rentals which end after 6:30 pm, renters must choose between the following options:

1. The public access doors will be left in the open setting until your event ends, and you will be charged an additional \$25 fee. This fee is meant to offset the expense of having staff return after hours to close down and secure the building.
2. Request a temporary access code and provide the code to your guests. There is no additional fee for this.

*Non Profit Rates* If you are renting space for a non-profit organization for which the above rates would be challenging, please e-mail [info@backtothebarrow.com](mailto:info@backtothebarrow.com) to inquire about lower rates. If you wish to use the space for ongoing meetings, for example, the minimum charge may be waived.

\* If food is being prepared and /or served in the kitchen, applicant must pay for renting the kitchen; if your event is catered and the food is prepared off site and served in the community rooms, kitchen rental is not required. Please note that the kitchen is used by building tenants for their lunch room. Events that include rental of the kitchen may be scheduled during the lunch hours provided applicant and their guests allow building tenants access to the kitchen area and use of its appliances from 11 to 2 pm. The kitchen has a separate entrance so tenants will not disrupt your event.

## Reservations

We use an online scheduler at our website, [www.backtothebarrow.com](http://www.backtothebarrow.com), for scheduling rental reservations in our community rooms. You must submit your complete application before you can submit reservations to our online scheduler. When you submit a reservation, your event will display on the schedule

immediately with a Pending Approval status. This *does not* reserve the room(s) for you but it will encourage others to choose a different date.

The Barrow reserves the right to rent to another applicant if their application and fees are received before yours. **If we do not receive your application and required fees (deposit and rental fees) within one week from your inquiry or three days prior to the event, whichever comes first, your event will be removed from the calendar.**

Once your fees are received, your event will be confirmed on the online scheduler. Once your reservation is confirmed, you will receive a door code that you and your guests must use to enter the building; we suggest early submission of your application and fees so you can have plenty of time to notify guests of the entry code (the door code is only necessary for events beginning after business hours).
